About *The Way To Bea*: Everything in Bea's world has changed. She's starting seventh grade newly friendless and facing big changes at home, where she is about to go from only child to big sister. Feeling alone and adrift, and like her words don't deserve to be seen, Bea takes solace in writing haiku in invisible ink.

Kat Yeh is the author of the critically acclaimed middle grade novel *The Truth About Twinkie Pie*. She grew up reading, writing, and dreaming in Westtown, Pennsylvania. She currently lives with her family on Long Island.

About *The Adventurer's Guide to Dragons (And Why They Keep Biting Me)*: Get ready for dragons, robots, and an even more dangerous quest in this hilarious, unputdownable sequel to *The Adventurer's Guide to Successful Escapes*.

Wade hails from Nova Scotia, Canada, land of wild blueberries and Duck Tolling Retrievers. He teaches part-time, dabbles in animation, and spends the rest of his time as a stay-at-home dad. It is also possible he has set a new record as the slowest 10K runner. Ever. He owns one pretend cat and one real one, and they get along fabulously.
